Description :

PDF-34ef8 | In the numbers-obsessed sport of baseball, statistics don't merely record what players, managers, and owners have done. Properly understood, they can tell us how the teams we root for could employ better strategies, put more effective players on the field, and win more games. The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike ... *Baseball Between the Numbers: Why Everything You Know About the Game Is Wrong*
