Description :

PDF-e9c2b | The technical details of early 20th century British warships were recorded in a set of plans produced by the builders on completion of every ship. Known as the “as fitted” general arrangements, these drawings documented the exact appearance and fitting of the ship as it entered service. Today these plans form part of the incomparable collection of the National Maritime Museum at Greenwich, whi... *The Battleship Warspite: Detailed in the Original Builder's Plans*
