Blast and Ballistic Loading of Structures PDF

by John Hetherington : **Blast and Ballistic Loading of Structures**

ISBN : #0750620242 | Date : 1994-11-01

Description :

PDF-99f0d | This book brings together, in a concise format, the key elements of the loads produced from explosive sources, and how they interact with structures. Explosive sources include gas, high explosives, dust and nuclear materials. It presents quantitative information and design methods in a useable form without recourse to extensive mathematical analysis. The authors, Peter Smith and John Hetherington,... *Blast and Ballistic Loading of Structures*
