Description :

PDF-b0573 | Building on the earlier volume dealing with British armor of the First World War, this is the second of a multi-volume history of British tanks by renowned British armor expert David Fletcher MBE. This volume traces the story of the British use of the tank through the early years of World War II, when Britain relied on its own tanks built in the late 1930s, and those designed and built with limite... *British Battle Tanks: British-made tanks of World War II*
