Description :

PDF-e697b | This is a definitive study of key British tanks from the early part of the Second World War. These types saw active service with the British Expeditionary Force in France, with British Forces in the Western Desert and in India. They also took part in the campaigns in Norway, Persia and Sumatra as well as serving with the Garrison of Malta. The German Army modified a lot of these tanks for their ow... *British Light Tanks 1927–45: Marks I–VI (New Vanguard)*
