: **Building Model Warships of the Iron and Steel Eras**

ISBN : #1861761295 | Date : 2002

Description :

PDF-05833 | This illustrated manual is intended to show ship modellers, whatever their skills and interests, how to build a whole range of warships of the iron and steel eras. As well as covering a wide variety of vessels it also deals with every category of model, from static miniatures through to large-scale working models. The book is divided into ten chapters, each of which has been written by a recognise... *Building Model Warships of the Iron and Steel Eras*
