Description :

PDF-719a5 | A revolutionary new appraisal of the Old West and the America it made. The open range cattle era lasted barely a quarter-century, but it left America irrevocably changed. These few decades following the Civil War brought America its greatest boom-and-bust cycle until the Depression, the invention of the assembly line, and the dawn of the conservation movement. It inspired legends, such as that of... *Cattle Kingdom: The Hidden History of the Cowboy West*
