Description :

PDF-dc428 | In today's volatile business landscape, adaptability and creativity are more crucial than ever. It is no longer possible-or even desirable-to learn one set of job skills and to work your way up the ladder. At the same time, entrepreneurs with great ideas for new products or technologies that could change the world often struggle to capture the attention of venture capital firms and incubators; fin... *Disrupt You!: Master Personal Transformation, Seize Opportunity, and Thrive in the Era of Endless Innovation*
