Description :

PDF-f49bc | The history of the development of submarines covered in this book spans the most tumultuous years of the 20th century. When the little Holland No. 1 was launched in 1901, few could guess that the submarine would become the most potent weapon of war ever developed. British submarines were to play crucial roles in both world wars, protecting vital sea-lanes and destroying enemy shipping all over the... *Encyclopedia of British Submarines 1901-1955*
