Description :

PDF-68d09 | Investigations into how technologies became peculiar forms of politics in an expanded geography of the Cold War. The Cold War was not simply a duel of superpowers. It took place not just in Washington and Moscow but also in the social and political arenas of geographically far-flung countries emerging from colonial rule. Moreover, Cold War tensions were manifest not only in global political dispute... *Entangled Geographies: Empire and Technopolitics in the Global Cold War (Inside Technology)*
