Description :

PDF-b5b8c | The Erie Canal was a preposterous idea. Even President Thomas Jefferson, usually ahead of his time, believed that it could not be built for at least a century, and yet, the Erie Canal came to be just as its planners had thought it would. For the first time in the history of the United States, a cheap, fast route ran through the Appalachians, the mountains that had so effectively divided the West f... *The Erie Canal*
