Description :

PDF-ab6d8 | Massively outnumbered and outgunned by the Russian military, the story of the Chechens' ability to hold and then humble them in the First Chechen War is an extraordinary one, hardly overshadowed by the Russians' capacity to learn from their mistakes in the Second. Through well-chosen case studies, this book explores the tactics of both sides and in the process becomes the best military study of th... *Fangs of the Lone Wolf: Chechen Tactics in the Russian-Chechen War 1994-2009*
