Foundation Design: Principles and Practices PDF

by Donald P. Coduto : **Foundation Design: Principles and Practices**

ISBN : #0471631426 | Date : 1993-11-01

Description :

PDF-bbf27 | Using a design-oriented approach that addresses geotechnical, structural, and construction aspects of foundation engineering, this book explores practical methods of designing structural foundations, while emphasizing and explaining how and why foundations behave the way they do. It explains the theories and experimental data behind the design procedures, and how to apply this information... *Foundation Design: Principles and Practices*
