Description :

PDF-dd4e5 | During the European Renaissance, an age marked equally by revolutionary thought and constant warfare, it was armies, rather than philosophers, who shaped the modern European nation state. "Mobile cities" of mercenaries and other paid soldiers-made up of astonishingly diverse aggregations of ethnicities and nationalities-marched across the land, looting and savaging enemy territories. In the 15th c... *Furies: War in Europe, 1450–1700*
