Description :

PDF-55fd1 | This was the five-year war that made America a nation. Indeed President Barack Obama referred to it in his Inaugural Address; and every American child is steeped in its history. But all too often the fog of myth shrouds the reality from all sides of the conflict. In these pages, the path to war is starkly documented by British caricatures of politicians and generals, for the most part favorable to... *George Washington's War: In Caricature and Print*
