Description :

PDF-76c62 | The ancient churches and cathedrals of England's towns and countryside are among the glories of our national heritage, the church spire one of the quintessential features of the landscape. Yet how were our ancestors able to construct these often substantial edifices without the benefit of modern techniques? How did medieval masons plan, design and oversee their construction? What methods of constr... *Historic English Churches: A Guide to Their Construction, Design and Features*
