ISBN : #0691023433 | Date : 1991-04-01

Description :

PDF-06e08 | This work is a powerful demonstration of how historical analysis can be brought to bear on the study of strategic issues, and, conversely, how strategic thinking can help drive historical research. Based largely on newly released American archives, *History and Strategy* focuses on the twenty years following World War II. By bridging the sizable gap between the intellectual world of historians and t... *History and Strategy*
