Introduction to Ergonomics PDF

by R. S. Bridger : **Introduction to Ergonomics**

ISBN : #0071132945 | Date : 1995-02-28

Description :

PDF-18be8 | This comprehensive, engineering-oriented text is aimed at the introductory course in ergonomics usually required of industrial engineering majors. Such a course is also taught in psychology. The book should also appeal to courses in biomechanics. The text provides an excellent blend of the physical techniques and the cognitive aspects of ergonomics and features many practical cases and examples an... *Introduction to Ergonomics*
