The Introduction to the Mechanics of Soils & Foundations PDF

by John Atkinson : **The Introduction to the Mechanics of Soils & Foundations**

ISBN : #007707713X | Date : 1993-09-01

Description :

PDF-9db2d | Covering the undergraduate course in geotechnical engineering for civil engineers, this work sets out the basic theories of soil mechanics in a clear, simple way, combining both classical and critical state theories. By using short, focused chapters, the author ensures an accessible text while maintaining a continuous thread running through the book as theory develops into application. The treatme... *The Introduction to the Mechanics of Soils & Foundations*
