Description :

PDF-7456c | Around the world, fire risk assessments are increasingly recognised as a fundamental part of a proper fire safety management regime. Furthermore, since the revised 2005 fire safety legislation, they are a legal requirement in the United Kingdom for most building profiles other than domestic dwellings. The fire risk assessment process can be a straightforward exercise; identifying simple fire ris... *Kingfell Guide KF913 - Second edition: Fire risk assessments for complex buildings (Kingfell Guides)*
