Description :

PDF-7efce | It is rare to find a landscape untouched by our lines – the hedges, walls, ditches and dykes built to enclose and separate; and the green lanes, roads, canals, railways and power lines, designed to connect. This vast network of lines has transformed our landscape. In *Linescapes*, Hugh Warwick unravels the far-reaching ecological consequences of the lines we have drawn: as our lives and our land were... *Linescapes: Remapping and Reconnecting Britain's Fragmented Wildlife*
