Description :

PDF-921ea | As millions have come to know from such immensely popular books and movies as The Hunt for Red October and U-571, the world of submarines is secretive and dangerous. On the ocean floor lie over a century and a half of subs, lost both in war and in peace. Now, for the first time, the individual stories of these sunken ships are woven together to create an amazing history of underwater warfare and e... *Lost Subs*
