: Management of Historic Centres (Conservation of the European Built Heritage Series)

ISBN : #0419232907 | Date : 2001-01-24

Description :

PDF-d4731 | This book examines key themes for the management of historic urban centres within a representative sample of centres in different European countries. The twelve historic centres that have been chosen are spread throughout Europe. They are diverse in character and the range includes small towns, cities and urban centres within cities. Some have been designated by UNESCO as World Heritage Sites or C... *Management of Historic Centres (Conservation of the European Built Heritage Series)*
