Description :

PDF-dcc8e | Mercenaries were a significant factor in many of the wars of the Classical world, being employed in large numbers by many states. By far the most famous were Xenophon's 'Ten Thousand', who had to cut their way out of the Persian Empire after the death of their employer and such Greek infantry were for long the most dominant type (even a Spartan king hiring himself out in one case), but there was a... *Mercenaries in the Classical World: To the Death of Alexander*
