Description :

PDF-023bc | Most people know that there are 70 million Baby Boomers in America today....but what is less known is that there are approximately 100 million people in America between the ages of 16 and 30. This generation has just entered, or will soon be entering the work force. And they have no idea how to invest, save, or handle their money. Young people today come out of school having had little or no forma... *Millionaire by Thirty: The Quickest Path to Early Financial Independence*
