ISBN : #0412804905 | Date : 1997-05-31

Description :

PDF-154c1 | Despite mature applications, advanced technology, and high volume, rubber compounding has never had a book of its own. Today, emerging applications such as tire reclamation and smoke-resistant cables combine with an industry push into engineering materials to create new kinds of compounds with new quality control problems. The Mixing of Rubber has been developed over several years in conjunc... *The Mixing of Rubber (Nurse as Healer)*
