Description :

PDF-ae7a2 | "When it sings, a garden will have the power to transport and to lead you to a place that is magical. It is an oasis for creation, available to anyone with a little space and the compunction to get their hands dirty." In *Natural Selection*, Dan Pearson draws on ten years of his *Observer* columns to explore the rhythms and pleasures of a year in the garden. Travelling between his city-bound plot in Pe... *Natural Selection: a year in the garden*
