Description :

PDF-eae96 | Much misinformation has been published by those who support, as well as those who are against, the continued deployment of nuclear weapons as instruments of deterrence. This book provides an apolitical description of strategic nuclear weapons, how they are designed, how they work, and how they are assigned to different targets in the event of conflict. As well as a Workshop Manual, this book would... *Nuclear Weapons: 1945 Onwards (Strategic and Tactical Delivery Systems)*
