Description :

PDF-fdc20 | Operation Primrose tells the story of the capture of U-110 – and with it a working Enigma machine. One of the biggest secrets of the war, the capture of that one machine turned the tide of the war in British favour. The German U-boat attacks were crippling the nation's ability to survive, and the key to breaking that threat was in deciphering the German's naval Enigma code. Turing and his co... *Operation Primrose: U110, the Bismarck and the Enigma code breakers*
