Description :

PDF-3a8a4 | When Michael Allen "crewed up" with Harry White in August 1941, it was the start of a four-year partnership as navigator and pilot respectively; together they formed one of the RAF's top-scoring night-fighter crews of World War II. Known in the night-fighter world as "Mike Allen", his job was to operate the primitive airborne interception equipment (AI) and guide Harry through darkened skies until... *Pursuit Through Darkened Skies (Airlife Classics)*
