Description :

PDF-0c31d | The Second World War saw the apex of piston-engine aircraft design, and ushered the world into the jet age. Anybody who studies aviation will know the names: Spitfire, Mustang, Zero, Messerschmitt, Shturmovik. But there were many more aircraft to take to the skies before and during the war, and frequently their stories remain unknown. This book seeks to tell those stories, to bring to the fore the... *Rare Birds: Forgotten Aircraft of the Second World War*
