Description :

PDF-3407a | The image of the Roman legionary is as familiar today as it was to the citizens - and enemies - of the vast Roman Empire two thousand years ago. This book goes beyond the stereotypes found in popular culture to examine the Roman Army from the first armed citizens of the early Republic through the glorious heights of the Imperial legions to the shameful defeats inflicted upon the late Roman Army by... *The Roman Army: The Greatest War Machine of the Ancient World (General Military)*
