Description :

PDF-244dc | The National Maritime Museum in Greenwich houses the largest collection of scale ship models in the world. This book is the first in a series which will use selections of the best models to tell the story of specific ship types. Each volume reproduces a large number of model photos, all in full color, including many close-up and detail views. Although pictorial in emphasis, the book weaves the pic... *The Sailing Frigate: A History in Ship Models*
