Description :

PDF-798c6 | The Sturmartillerie was a key part of Germany's armored arsenal throughout World War II. Its armored assault guns were designed to support the artillery on the battlefield, largely using the purpose-built Sturmgeschütz infantry support gun. This new and exhaustive study will detail the development and operational history of the machine's innovative forces, as well as describe how its role and the... *Sturmartillerie: Spearhead of the infantry (General Military)*
