Description :

PDF-c705a | In 2014 the Somerset Levels suffered from the worst flooding in over twenty years. Inevitably the residents asked for more drainage, more dredging and more money. Flooding in the area has been an issue since it was a marshland, but is more drainage and more dredging the answer? Exploring the old arguments and new solutions raised over the last 400 years, this completely updated edition of the class... *Taming the Flood: Rivers, Wetlands and the Centuries-Old Battle Against Flooding*
