by William Suttie : **The Tank Factory: British Military Vehicle Development and the Chobham Establishment**

ISBN : #0750961228 | Date : 2015-06-01

Description :

PDF-32624 | The United Kingdom invented the tank and was responsible for campaign-winning tactics, yet by the start of World War II had fallen well behind other nations in the design and build of armored vehicles. William Suttie tells the history of tank design from a government perspective and the decisions and failures that led to that state of affairs, going on to detail the formation of the Fighting Vehic... *The Tank Factory: British Military Vehicle Development and the Chobham Establishment*
