Description :

PDF-a0855 | Hitler's Third Reich is still the focus of numerous articles, books and films: no conflict of the twentieth century has prompted such interest or such a body of literature. Approaching the canon of World War II literature is a challenge for a general reader but the 100 objects approach is a novel and accessible presentation. This is a compelling, frequently shocking and revelatory guide to the Third... *The Third Reich in 100 Objects: A Material History of Nazi Germany*
