Description :

PDF-420ab | The Tribal or Type 81 frigates of the Royal Navy emerged in the early 1960's as a result of design work started towards the end of World War Two into future surface escort vessels. The opportunity was also taken to introduce new technologies, namely gas turbine propulsion and anti submarine helicopters to the ships in order to make them more valuable frigates. The resulting seven members of the Ty... *Type 81: a History of the Tribal Class Frigate*
