Understanding Radar Systems PDF

by Simon Kingsley : **Understanding Radar Systems**

ISBN : #0077074262 | Date : 1992-11

Description :

PDF-08c7b | An introduction to the key aspects of modern radar and the areas in which radar is applied. The initial chapters introduce radar and what it does, and the remainder of the book leads the reader through the principles of radar and its specialist language, and illustrates the applications of these principles. The emphasis throughout is on concepts rather than details, and the mathematical treatment ... *Understanding Radar Systems*
