Description :

PDF-b223f | Most writing on Aboriginal self-determination focuses on the constitutional or structural aspects of self-government or related philosophical issues. In this book, Wayne Warry argues that self-government can be realized only when individuals are secure in their cultural identity and can contribute to the transformation of their communities. Warry draws on his research among Anishnawbe communities, ... *Unfinished Dreams: Community Healing and the Reality of Aboriginal Self-Government*
