Description :

PDF-28863 | The 'little ships' of the Second World War - the fast and highly maneuverable motor torpedo boats and gunboats which fought in coastal waters all over the world - developed a special kind of naval warfare. With their daring nightly raids against an enemy's coastal shipping - and sometimes much larger warships - they acquired the buccaneering spirit of an earlier age. And never more so than in th... *The War of the Gun Boats*
