Description :

PDF-e57c6 | General William Howe was the commander-in-chief of the British forces during the early campaigns of the Revolutionary War (1775-1783). He was an enigma, who appeared on multiple occasions to be on the verge of winning the war for Britain, only to repeatedly fail to deliver the final blow. Howe evoked passionate reactions in the people he worked with; his men loved him, his second-in-command detest... *Whispers Across the Atlantick: General William Howe and the American Revolution*
