Description :

PDF-3a988 | It is amazing to discover that there are well over 400 waterwheels and windmills open to the public in England and Wales. Many of them are in excellent working order and provide a valuable insight into the partnership between man and machine going back, not just to the Industrial Revolution, but to a time of 1,000 years ago or more. Stan Yorke is an engineer and designer with a lifelong interest ... *Windmills and Waterwheels Explained (England's Living History)*
